CONTROL OF CONSTRUCTION OF BUILDINGS NEAR PERUNDURAI T. B. SANATORIUM—BILL REGARDING

71. Mr. M. Krishna Menon *(Trichur-North)*: Will Government be pleased to state whether their attention has been drawn to a Bill in regard to the control of the construction of buildings in the neighbour-hood of the Perundurai Tuberculosis Sanatorium on the lines of the Madanappalli and Tambaram Tuberculosis Sanatorium (Regulation of buildings) Acts 1943, published in the Fort St. George Gazette in the middle of June 1944?

Rao Sahib Dr. T. Verghese *(Chief Medical Officer)*: Yes.

Mr. M. Krishna Menon *(Trichur-North)*: In the light of this Bill does the Chief Medical Officer not think that it is advisable to shift T. B. Clinic from the present location.

Rao Sahib Dr. T. Verghese *(Chief Medical Officer)*: The purpose of this Bill is mainly to prevent overcrowding in the neighbourhood of the sanatorium. No, because of the possible infection that may be conveyed to the people near by. This clinic at Trichur was located after getting necessary advice from the expert of the snatorium of Madanapalli. I therefore do not think that it is necessary to shift the clinic.

Mr. M. Krishna Menon *(Trichur-North)*: May I know whether there are not very many buildings besides the T. B. clinic?

Rao Sahib Dr. T. Verghese *(Chief Medical Officer)*: Yes.

Mr. M. Krishna Menon *(Trichur-North)*: Is not the clinic located on the main road leading to St. Thomas College.

Rao Sahib Dr. T. Verghese *(Chief Medical Officer)*: Yes.

Mr. M. Krishna Menon *(Trichur-North)*: Is it not therefore advisable to shift the clinic?

Rao Sahib Dr. T. Verghese *(Chief Medical Officer)*: Clinics are generally situated in crowded places unlike sanatoriums. If a better place is available there is no objection to shift it. There is however no possibility of infection there.

Mr. M. Krishna Menon *(Trichur-North)*: Are there not inpatients in the clinic?

Rao Sahib Dr. T. Verghese *(Chief Medical Officer)*: Yes.

Mr. M. Krishna Menon *(Trichur-North)*: Is there not chance of dust going into the clinic?

Rao Sahib Dr. T. Verghese *(Chief Medical Officer)*: We are hoping to take some steps, to stop this dust nuisance on the road.

Mr. M. Krishna Menon *(Trichur-North)*: Will the Government kindly consider or try to find out a better place for locating this clinic?

Rao Sahib Dr. T. Verghese *(Chief Medical Officer)*: Clinics should be really in the Centre of the town and should be near a hospital.

Mr. M. Krishna Menon *(Trichur-North)*: Is not then advisable to take it to the Central market? *(Laughter)*.
